Merrick Woods Proudly Presents the Drama Club Broadway Showcase

The campers from the Drama Club and Senior Period are so excited to perform their Broadway Showcase this Friday.

Together with the Merrick Woods drama department, Broadway stage actors from the acting studio, A Class Act NY, worked with the campers this past month helping them practice and prepare for one of the best Merrick Woods Shows ever! This show will highlight some spectacular dance and singing performances! We are so proud of everyone involved in this production, and we can't wait to see the show!
